## Supporting small businesses towards sustainable gastronomy tourism!

Gastronomic tourism goes beyond the mere consumption of food and can offer visitors an experience based on local cultural heritage, lifestyle, and social and environmental patterns.

CultourGastronomy seeks to encourage the preservation of gastronomic cultural heritage for the benefit of local communities, small businesses and of the European identity.

### What are our main objectives?

- To strengthen the core competencies in gastronomic tourism among local farmers, traditional food and beverage producers, and small tourism businesses.
- To promote a different type of tourism & create new job opportunities in rural areas
- To develop sustainable partnership between farmers, food & beverage producers & tourism stakeholders

### What we are providing?

- A complete *online Training course* for **small local food & beverages producers & tourism service providers**
- A Gastronomy & Cultural heritage **Guidebook** to raise awareness on the importance of local foods production & preservation of the culinary identity of our regions.
